Monster Liberal Rally Held At Haliburton

Citizens from every section of Haliburton County gave Liberal Candidate David Logan and Charles Templeton and their charming wives a right royal welcome in the fine new auditorium of the Haliburton Community Centre on Tuesday evening.

Local liberals who have been more or less in the political wilderness for twenty-five years seem to scent victory in the air and had every reason to be elated as without doubt the 400 persons in attendance constituted the largest political rally of its kind ever held in this county.

Mr. Verne Graham, chairman for the occasion, introduced Mr. David Logan, giving a brief outline of his career and of the things which would go to make him an excellent representative at Ottawa.

The large audience gave David Logan a flattering ovation as he proceeded with his address. The candidate who appeared to be in rare form despite the fact that he is conducting a most rigorous campaign told of visiting a number of homes in this county and of talking over their prob-

lems. "It is time, said the speaker, that we started moving some industry into the county instead of moving our young people out". The candidate spoke of the great strides that we had

made in the tourist industry but stated that we could hardly expect to make enough in four months to have a prosperous economy over the whole year.

In Charles Templeton we had

the opportunity of listening to a man who has very few if any equals in Canada as a public speaker. Mr. Templeton held the rapt attention of everyone present as he described the dreary days of the Diefenbaker government with its enormous deficits, massive unemployment and devaluated dollars, and compared the great change that had taken place under the Pearson government during the past two years, which had succeeded in reducing unemployment to its lowest level in eight years, saw more people working than ever before, exports were up and the gross national product had reached an all time high for Canada. Do you wish to go back to a Diefenbaker government? asked the speaker. Diefenbaker has made a contribution, and he has a place in history, and it is up to the Liberals to see that he gets there as soon as possible.

Among those on the platform were Dr. and Mrs. T. Hicks, Mr. and Mrs. Donald Finn, Mr. Robert Brohm, and Mr. Harold Herlihey.

Mr. Marshall Leighton acted as pianist for the occasion.

First Cousins, Rendezvous

Climaxed by "send-off" for Grant Brooks to University of Toronto

A unique party, when 15 first cousins held a family get-together, took place at Beaconbrook Motor Hotel on September 11th and 12th.

Grant Brooks, with his first cousins Gwen and Joanne Cooper of Barrie, were host and hostesses. All present were grandchildren (some by marriage) of the late Mrs. Bertha Cooper Wright. At this meeting some cousins met for the first time, others met for the first time in 28 years.

Saturday's program included a boat cruise on the Highland Queen on Kashagawigamog and the chain of lakes, a trip to the Skyline Park and other points of interest.

All meals were prepared by Mrs. Mary Salvatori, assisted by Maxine Roberts. Breakfasts and lunch were served by the hostesses Gwen and Joanne and first cousin Evelyn. The highlight of the Saturday's festivities was a special Spaghetti dinner in best Salvatori style and served by first cousins Doug and Barrie, assisted by Reg and Glen. A special First Cousins Rendezvous Cake was cut by hostess Gwen. Toasts were proposed to past, present and future generations of the Cooper clan.

Grant explained that he had chosen to call the meeting a

Rendezvous because he believed that this generation of the Cooper clan have a rendezvous with destiny. He expressed the wish that more meetings of the clan would be repeated in the years to come when more members of the clan of which there are now over eighty would meet.

Attending this meeting were Murray and Joan Cooper, New Liskeard; Grant and Elizabeth Cooper, Kitchener; Doreen Hall, Calander; Doug Cooper, Kirkland Lake; of the family of Austin and Sybil Cooper of Swastika; Glen and Jo Williams, Richmond Hill, son of Mrs. Joan Reeser; Barrie and Lynda Cooper, Sau. Ste. Marie, son of Reg and Norma Cooper; Hostesses Gwen and Joanne Cooper, Barrie, daughters of Jack and Ellen Cooper; Reg and Evelyn Brooks and Grant Brooks, host, of the family of Grace and George Brooks of Haliburton.

At the conclusion of the Spaghetti Dinner, Reg proposed a toast to his host and brother, Grant, and surprised the group by announcing that Grant was leaving September 13th to attend University College at U. of T.

Plans are already underway for an all-out get-together for Canada's Centennial Year 1967, which is also the sixtieth anniversary of the grandparent Cooper's arrival in Canada.

Hunter Lost In Bushland Walks 40 Miles To Safety

MINDEN (ENS) — A Bay Ridges man walked about 40 miles through dense bush north of here last week after being separated from two hunting companions since last Monday.

Andrew Morrish, 22, entered the forest with Harry Davies of Agincourt, and Richard Ingram of Willowdale, to hunt partridge. The trio started out from an old logging camp on Pine Lake in Hindon Township at 9:15 a.m. Monday. Davies and Ingram returned to Minden that afternoon and reported that Morrish had been separated from them, and was presumably lost.

A search party of six men led by Const. Allan Brooks spent nine hours in the bush Tuesday looking for the youth. They fired many warning shots, but received no answer.

Const. Brooks said Morrish

had a shotgun and 24 shells, some matches and six chocolate bars. After the fruitless search, Morrish came out at Brady's Lake about 14 miles from here. "He must have walked 40 miles through woods, swamp and everything else imaginable," said Const. Brooks.

"When he came out he seemed in good shape. He had five years of scouting experience, and had a watch so that he could tell the approximate direction by the sun."

"He said he slept part of the first night and day in a hunting camp, and he was probably sleeping when we fired the warning shots."

"He walked across the whole of Hindon Township."

Morrish walked out of the woods at 10 p.m. on Tuesday. (Peterborough Examiner)

Minden Carnival Plans Are Laid

MINDEN (ENS) — Plans for a lively winter carnival here have already been made, Minden Reeve Charles Brandon said on Tuesday. The carnival marks one of the largest annual projects in this village. This year it will cost about \$2,000.

Among many contests organized for the three-day program from Jan. 28-30 are selection of a carnival queen, a skidoo meet, a broomball tournament, a jam-can curling contest for children, skating races, a moussassin dance, sleigh rides, a tournament between teams of the Minor Hockey Association, and a parade.

Two Youths Killed In Car Accident

Friday night last two Barrie youths, Denis Tustin, 21, and Edward Skrypnichuk, 20, were killed in a one-car accident near Haliburton. A third youth in the car, Gordon Corbett, 21, is in serious condition at Lindsay Ross Memorial Hospital with a broken neck.

Minor Hockey Registration

If you missed registration for Minor Hockey in Haliburton last week-end, please turn to Page 15 of this paper and fill out the form and return it to the Sec-Treas., Len Salvatori at Haliburton. Please enclose your fee of \$2.00 per player. Families with more than two, each additional child \$1.00. Final registration can also be made at the Haliburton Arena this Sunday, October 24th from 1 to 3 p.m. Remember that you must be registered to play hockey this winter.

Correction—

Mr. Archie Scott of Harcourt was in Haliburton recently, and informs us that a statement contained in the Echo to the effect that the spring on his property has petered out is false.

Mr. Scott says this is still right and the spring is still going strong and that he is going to put in a tender re the construction of the new water system.

Y.P.C.'s Do It Again

On Saturday last the Haliburton County Young Progressive Conservative Association held another of their much touted dinner rallies at Bonnie View Inn. The occasion was to feté William C. (Bill) Scott and his charming wife Betty.

Staunch supporters, interested persons and friends from all parts of this northern part of the riding gathered for what turned out to be an exceptionally fine evening combining delicious food, serious and spirited talk on the campaign issues, fun frolic and the scintillating side-splitting entertainment of the Y.P.C.'s one and only 'Honest John'.

President Walter Hobden M.C.'d the proceedings, introducing the head table guests and called

upon Glen Hodgson, M.P. and Roy Windover, President of the Victoria-Haliburton and Ontario North Progressive Conservative Association to address those present.

The keynote address of the evening was delivered by Bill Scott, who is in case you have not already twigged the Progressive Conservative Candidate in the forthcoming Federal Election on November 8th. Here is a man, a veritable TIGER, a man dedicated to his task, a proud Conservative, a proud Canadian.

Bill's fine speech left no doubt in the minds of the hundred persons present that when elected on November 8th, his will be a forceful voice representing our riding at Ottawa.

Dysart Council Approve High School Addition

A meeting of Dysart Council was held on Tuesday, October 12 with all members present.

General and Road Accounts totalling \$33,771.73 and Welfare Accounts amounting to \$644.95 were passed and signed. Relief Accounts were down sharply from a year ago when they were \$760.44.

A motion was passed approving the proposed addition to the Haliburton Highlands Secondary School at a total estimated cost of \$233,500.00, of which \$165,000.00 is to be debentured over a term of twenty years.

This municipality approves the issue of \$165,000.00 debentures by the Provisional County of Haliburton and agrees to raise its share of the cost.

The following were appointed to sit on the Court of Revision

for the Assessment Roll of 1966: Ron Curry, Mervyn Robertson, George Jones, Lawrence Morrison, and Gerald Dawson. Alternates L. Walling, James Robertson, Frank Hodgson and Gord Ross.

Nomination Meeting for the 1966 Council is to be held on November 26 and should an election be necessary it will take place on December 4, 1965.

A motion was passed authorizing members of the Fire Department to apprehend offenders and lay whatever charges are deemed necessary for Halloween night, October 30, 1965 and October 31, 1965.

Should an election be held on December 4th the following question will be included on the ballot: "Are you in favour of a two-year term for the Municipal Council?"

MR. AND MRS. KEN WILSON who were married in St. George's Anglican Church, Haliburton on Saturday, September 11. The bride is the former Mary Cooper of West Guilford.

Baskets of yellow and white mums highlighted by the occasional blue mum was the setting for a pretty double ring ceremony on Saturday, September 11 at 3 p.m. at St. George's Anglican Church in Haliburton.

Rev. R. Carder united Mary Gladys Cooper, daughter of Mr. and Mrs. James Cooper, and Mr. Kenneth Egbert Arthur Wilson, son of Mr. and Mrs. Thomas E. Wilson of Campbellcroft in holy matrimony.

Given in marriage by her father, the bride looked radiant in her floor length gown of peau de soie, enhanced with a bell shaped tunic of hand clipped chantilly lace. The empire bodice was outlined with a band of peau de soie and flattered with a scalloped neckline and lily painted sleeves. The bouffant skirt at back trailed into a chapel train and was set off by a flat bow at waist. Her wedding cake crown of tulle petals showered with pearls was highlighted with a four tiered bouffant veil of silk illusion. She carried a cascade bouquet of white and blue Shasta mums with yellow sweet-heart roses.

Maid of honour was Miss Ann Marie Bedore of Marmara and the bridesmaids were Mrs. Jack Brohm, Misses Terry and Judy Cooper. The flower girl was Miss Wanda Cooper.

Attendants were identically at-

tired in floor length gowns of pedevure blue peau de charme. The empire bodices were of brocade satin guipere in a delicate rose design with scooped necklines and three-quarter length sleeves. For headpieces, matching satin guipere was fashioned into small flat bows. They carried cascade bouquets of yellow and powder blue Shasta mums.

Assisting the groom was Mr. Hans Speckert of Campbellcroft as best man. The ushers were Mr. Jack Brohm of Newcastle, and Mr. Bruce Wilson of Richmond Hill. Master Wally Speckert, nephew of the groom, served as ring bearer.

The soloist, Mr. Larry Hall of Port Hope, sang "O Father All Creator", and "Love Never Fails" while accompanied by pianist, Mr. Bill Gliddon.

The bride's mother chose a fashionable imported silk shantung dress in shell pink with matching white accessories and gardenia corsage. Assisting her was the groom's mother attired in a Teal blue dress of silk and matching accessories with a corsage of pink carnations. For the wedding reception, the guests were entertained at Bonnie View Inn.

Out of town guests came from Toronto, Port Perry, Oshawa, Lindsay, Thessalon, Bowmanville, California Port Hope, Newcastle, Peterborough and Campbellcroft.

Dunsmore - Robertson Wed in Haliburton

St. George's Anglican Church, Haliburton was the scene of a very pretty Autumn wedding on Saturday, September 18, 1965 at 3:30 p.m. when Karen Lois, only daughter of Mr. and Mrs. Andrew Robertson of Haliburton, was united in the holy bonds of matrimony with Donald Drury Dunsmore, eldest son of Mr. and Mrs. Gordon Dunsmore of Crown Hill, Ontario.

The church was tastefully decorated with baskets of white gladioli and scarlet maple leaves. Rev. Raymond Carder officiated at the double ring ceremony, and the soloist was Mr. Brian Dean of Haliburton, who sang "O Perfect Love", "The Lord's My Shepherd" and "All Creatures of our God and King", accompanied by Mr. William Gliddon, Mus. Bac., of Haliburton.

The bride, who was given in marriage by her father, was beautifully gowned in full length peau de soie with chapel train. The gown was trimmed with tiny seed pearls and rhinestones with long petal point sleeves fastened buttons. She wore a bouffant shoulder length veil of tulle. She carried a Cathedral cascade of white heather, white Tierra roses, pinnocchio chrysanthemums and stephanotis. The heather was recently brought from Scotland by a friend.

Mrs. Barry Stoven of Oshawa, friend of the bride, was matron of honour and the bridesmaids were Mrs. Rae Ford of Barrie, sister of the groom, and two cousins, Miss Phyllis Shelton of Burlington, and Miss Margaret Glendinning of Toronto.

The bridal attendants looked charming in floor length gowns of peau de soie with matching shoes. Their headdresses were short matching veils caught "y tiny bows of peau de soie in front. The matron of honour was in Autumn green and the bridesmaids were in Autumn gold. They carried baskets of bronze baby mums, wheat, cat tails and yellow grapes, tied with Autumn coloured knotted ribbon.

The groom's youngest brother, Mr. Hugh Dunsmore of Kingston, was best man, and the ushers were Mr. John Dunsmore of Shanty Bay, brother of the groom, Mr. Ralph Cotterill of Guelph, and Mr. Garry Dunn of Hamilton.

The bridal party and guests were piped from the church by

Piper Earl Cooper of West Guilford, who piped while all assembled on the church lawn for photographs. The piper wore the famous Highlands of Haliburton Tartan.

The reception was held at Holiday Inn on Lake Kashagawigamog, the beautiful summer hotel owned by Mr. and Mrs. Ray Arntfield, where the bride's mother received wearing a rosewood lace dress with matching picture hat and accessories, accented with a corsage of pink rosebuds. The bridegroom's mother, who assisted, looked charming in a white woollen suit with brown accessories and wore a corsage of yellow rosebuds.

Mr. Frank Stevens of Orillia, an old friend of the family, capably acted as Master of Ceremonies. Telegrams were read from friends in Australia, England, California, Massey and Toronto and cards from grandparents Mr. and Mrs. James Glendinning of Toronto, and Hon. E. C. Drury of Crown Hill. The highlight of the reception

was when the bride's father was asked to say a few words. Mr. Robertson included humour and good advice in his remarks, and concluded by proposing a Scottish toast to the bride and groom.

Midst showers of confetti and good wishes, the happy couple left on a honeymoon trip to the Adirondacks and Cape Cod, the bride wearing an emerald green sequin cloth suit with black accessories and wearing the gift of the groom, a gold bracelet set with opals. Her corsage was an Australian yellow orchid. She carried a white woollen coat. The young couple will reside in Barrie.

Guests were present from Ottawa, St. Catharines, Toronto, Guelph, Burlington, Hamilton, Oshawa, Trenton, Kingston, Barrie, Orillia, Shanty Bay, Tottenham, Sharon, Uxbridge, Taunton, Lindsay, Peterborough, Gravenhurst and Huntsville.

The bride was well known in Lindsay as she was on the staff of Victoria Public School for two years and was active in Guide work while there.

High School News

By Dianne Earle

Well, after that great long week-end we were really all set for the hard week ahead, but, ooh!, those mid-term tests, and all in four little days! But they're all written now (we hope) and all we can do is try to forget until we get the results back. When Mom and Dad get the mid-term reports, then we'll study . . . but, meanwhile?

And, do you know, we did get our trophy after all. Cheer! Cheer! We did deserve it . . . really! After the recount showing the score 294 to 275 for good ol' Hal Hi!, the trip to Bancroft and back was more than worth the effort. Of course, we'll just have to work all the harder for it next year, but look at all those ambitious young athletes

out there practising now! The girls' volleyball teams are rolling now, and the boys' flag football hasn't been rained out lately. Who says we don't have a cause?

Wednesday was our first Extra-Curricular period for this year, and we finally chose our clubs. G.A.A. and B.A.A. are getting ready for the Friday after-school dances already, and we're sure that Yearbook's well on its way to publishing time. Folksinging's all filled up, we hear . . . what's the big attraction there, kids? . . . the Smothers Brothers? But we mustn't forget those struggling few who chose to take the Driver's Course . . . we've heard of the 60-day, and even the 90-day, but 120-day? That's something new! And the written tests on that big thick textbook . . .

but it'll be worth it. We hear there'll be a whole highwayful of new, well-trained drivers by Christmas . . . good luck, kids! While the Seniors had their clubs, the Grade 10 students were visited by Mr. David Logan and are also to receive talks from the other two federal election candidates next week. See . . . school's not all readin' an' ritin' an' rithmetic after all!

To end the short week with a real bang we held the annual Sadie Hawkins dance in the gym on Friday night. Some of those costumes . . . and the decorations! They went all out on that one, but who got to clean up? That was your last chance to tag 'em til next year girls . . . did you take it for all its worth?

Good luck on your test results . . . is it "time to study for Christmas" already? Let's hope that next week will be as rewarding (is that the word?) as this one was.

A GENERAL MOTORS VALUE

This is the Oldsmobile Toronado
and you've never, ever, seen anything, anywhere,
nearly as new-honestly!

Cutlass Holiday Coupe

These are some of the other
new Oldsmobiles for 1966
...they're luxurious,
elegant, exciting,
powerful, appealing.
And all those things.

Dynamic 88 Holiday Coupe

They're new. You don't know them yet. But they bring you the best possible references. They're all Oldsmobiles. Which is to say that they're extra-special. Extra-powerful, extra-luxurious, extra-smooth. Improved Rocket engines, teamed with smooth Turbo Hydra-Matic transmissions, are available on all full-sized Oldsmobiles. They offer you new interiors, new style seats and carpeting. And you can get familiar Oldsmobile luxuries like air conditioning or totally new features like Automatic Level Control that lets you load 550 pounds of load into the trunk and still ride the way you did empty.

Including, and this is a real revolution, if we do say so ourselves, including today's only full-size, front-wheel-drive car. The Toronado. There's never, ever, been one like the Toronado. A 425-cubic-inch Toronado engine pours the power through a re-designed Turbo

Hydra-Matic Drive, right to the front wheels. Toronado performs and steers and holds the road like nothing you ever tried before. It's an Oldsmobile. You'll pick out the family likeness right away. We hope you'll take the time to come in and see the new Oldsmobiles, soon.

They're very nice cars and very, very new.

IN DUTCH WITH DAUGHTER

My daughter is furious with me. Again. She's at that age, 14, when daughters have very little difficulty in becoming enraged with their fathers. This occurs, of course, only on days when they're not sore as a boil, at their mothers.

She has good reasons, of course. She claims I'm crabby in the morning and grouchy at night. This is because I'm always hollering up the stairs to tell her to get a move on, in the morning, and hollering up the stairs telling her to get her light off, at night.

She calls me an old crock when I refuse to play badminton with her, because of my bursitis. And when I do play, and beat the can off her, she is like all women. She accuses me of cheating, or playing like a big bully.

She goes livid with rage when I try to help her through some situation I know will be tough. "What do you think I am, Dad, a child?" But she grows purple with passion when I remind her that she's not an infant and can just keep on looking for her lost gym suit and I don't care if her P.T. teacher does kill her and she can play basketball in her underwear, for all I care.

She boils with bellicosity when she wants help with her homework and I remind her that she thinks I'm stupid and she'd better do it herself.

When I play the heavy father, moralistic and conventional, she calls me, in disgust, and "old poke." When I get gay and kick up my heels and become the life of the party, she is miffed and makes cracks about my lack of dignity.

In fact, about the only time we seem to be on our old basis of true buddies is when she's trying to wheedle some money. Then her true sweetness and my innate generosity shine through and we get along beautifully. Until I remind her that she's to be in at 11 p.m., even if it is Friday night.

Oh, well, that's about standard, these days, for a healthy father-daughter relationship. But this week she went off like a

skyrocket.

I decided to use a portrait of Kim in my English teaching. It was painted, and extremely well done, by Jean Hay, whose daughter Princess and Kim were bosom pals then, about age nine.

I took the painting to school, held it up for three minutes for the class, then told the students to describe the impression it made on them. Results were interesting.

Quote: "He wasn't very old, perhaps about ten, but the eyes were those of an old, tired man. An overworked man."

Quote: "I think that this child is a bedraggled orphan, wishing for parents to love and care for him."

Quote: "Tears of pity and forlornness could almost be seen dripping down the boy's rusty cheeks."

Quote: "It is a picture that leaves the viewer with a feeling of deep concern."

Quote: "His large, sad eyes, which dominated his thin, dirty little face, told his story better than a thousand words."

Quote: "His ears drooped like a dog's, when it knows it has done something wrong and will be punished."

Quote: "I got the impression that he was very sad and lonely, perhaps an orphan who had gone without food for some time."

Just a sample. Titles were such as: The Boy; The Lost Orphan. One imaginative lad called it The Last Jew and suggested the child was waiting to go off to the gas ovens.

What young lady of 14, who is dabbling with lipstick, wears a brassiere, and has been out on a date, wants her name banded about the school as: an old, tired man; an orphan; a sad dog; a dirty-face; a rusty-cheeks. And worst of all, a boy. Ninety per cent of them thought she was a boy.

Maybe she had some excuse after all, for coming home from school, those brown eyes like boiling chocolate, with, "DAD! I could murder you!"

IF MAN SHOULD REACH THE MOON

If man should ever reach the moon,

There is one thing that is clear, He'll ruin everything up there. Just like he has down here.

With sin and crime, with lust and greed, He's got enough to do

To clean the mess he made on earth, And you know that is true.

It's not the moon we need to reach, It's God that put it there,

The one who went to Calvary, A rugged cross to bear.

For sin of men with rugged hearts, He died one day at noon,

With faith in Him, you'll have no fear, If man should reach the moon.

Business was discussed, and Christmas parcels for our missionaries were decided to be got started next meeting.

The meeting was closed in prayer by Mrs. Aldridge Hunter and Mrs. Charles Billings.

WILBERFORCE U.C.W.

The regular monthly meeting of the Wilberforce U.C.W. was held in the home of Mrs. E. Sanderson on Tuesday evening,

October 12th, with eight members present.

The meeting opened with the singing of hymn 493, "I Need Thee Every Hour", after which the president, Mrs. J. Outram, led in prayer. The Scripture reading, taken from Chapter 13, I Corinthians, was read by Mrs. Sanderson. Roll call, the reading of the minutes, and the treasurer's report, were next on the agenda, followed by a discussion of the Christmas Bazaar. Time was also devoted to the question of heating the church and it was decided to purchase a new lock for the church door.

Mr. McAllister then presented a quiz which sparked a lively exchange of opinions.

Mrs. E. Smith kindly invited the ladies to meet in her home on November 9th. After the benediction, delicious refreshments were served by the hostesses and a pleasant period spent over the teacups.

Bill Scott Gives Views On Pension Plan

In connection with the Canada Pension Plan, Mr. Scott, the Progressive Conservative candidate said that the advertisements presently appearing in the press, sponsored by Miss Judy LaMarsh on behalf of the Liberal Government, are the most flagrant waste and expenditure of public funds. First of all, the advertisements are full of half-truths. The persons whose names are given in the advertisement as real persons are fictitious. The advertisements are purely political and should be paid for by the Liberal Party, and not by the suffering taxpayers of Canada.

It will be noticed that they flagrantly use even their own campaign insignia, The Maple Leaf, in these advertisements paid for by the people of Canada.

Mr. Scott stated that he intends to place before the people of the riding the great deficiencies there are in the Canada Pension Plan, and the fact that the Plan does not assist one single old-age pensioner, disabled person or a person requiring assistance. In other words, the Plan completely overlooks the persons most in need.

THE NATION'S BUSINESS

Education and some practical applications.

Dear Elector:

In these articles which I have written and are now appearing in the press from day to day, I am endeavouring to place before you my views in connection with very vital issues in days which are critical for our country.

I am a young business man, forty-two years of age. I endeavour to look at things from the standpoint of my family and of course from my own viewpoint. I find that the right solutions usually come from the thinking of a number of persons. I shall be glad to send you copies of these articles if you desire and I would always be glad to have your views.

As I said in a previous article, I am deeply interested and concerned in the great subject of education which is so important to us in the world in which we have to live. It is only a few years ago since it was difficult for those living outside of the larger centers in our community, to receive even secondary education. Now this is available to all and a new and greater level of universities, community colleges, vocational schools and institutes of technology is being rapidly developed.

Education by our constitution comes under the control of the Province, but due to the great influence on the earnings of individuals because of specialized things associated with universities and its effect on Federal revenues, the Federal Government for some years have been making contributions to universities and this is the subject which I should like to mention.

In the last few days, the report of the Bladen Commission, appointed by the Canadian Universities has been made public and it reveals a deplorable lack of responsibility on the part of the Pearson Government in relation to this great subject. It has found that the contributions of the Pearson Government to these institutions, which are so necessary in this nuclear age, are utterly inadequate. The Bladen findings are only a confirmation of what has been urged on the government without effect in these past two and one-half years.

You are interested, as I am, in providing the very best of educational opportunities for our children in these fast changing days. Very few of us in Victoria, Haliburton and North Ontario have ever had the opportunity of university education. We want to make this available for our children, to give them the best mental equipment possible.

I pledge to you, if you elect me, to urge upon any government in Ottawa to invest money in the development of our young people. Mr. Diefenbaker proposes a Department of Youth. I agree with this. The development of our human resources is more important than the development of material resources.

If you do not mind me pointing out, lack of knowledge is evident in some political quarters. I noted that a Liberal speaker at Beaverton the other night, stated that low water levels in certain Haliburton Lakes was caused by Provincial Government Departments. The person who made this statement of course lacks even an elementary knowledge of our own counties.

By an agreement made between the Rose Government (Liberal) and the Laurier Government (Liberal) about the turn of the century, the absolute control of the Trent water shed, including the Haliburton Lakes, was given to the Federal Government, because of its control of the Trent Canal. This control of water levels is vested in the Department of Transport at Ottawa and is administered by the Trent Canal authority.

I have many times attended meetings with these authorities at which the Provincial Government has urged that the water levels should be kept constant and that our Haliburton and North Ontario citizens should not be merely "hewers of wood" and "drawers of water" for other people.

I know the problems of our communities. I know the difficulties of our people living in developing communities. I promise you that I shall press their case in a vigorous, intelligent manner.

Sincerely yours,

William C. Scott

William C. (Bill) Scott,

Progressive Conservative Candidate
for Victoria, Haliburton and
Ontario North.

IN MEMORIAM

BARRY — In loving memory of a dear husband, Frank Barry, who departed from this life October 24, 1964.

The face I loved is now laid low,
His loving voice is still;
The hand so often clasp in mine
Lies now in death's cold chill.
I often sit and think of him,
When I am all alone;
For memory is the only thing,
That grief can call its own.
—Sadly missed and always remembered by his wife Edith.

BARRY — In loving memory of our dear father, Frank Barry, who passed away October 24, 1964.

What would I give to clasp his hand,
His happy face to see;
To hear his voice and see his smile,
That meant so much to me.
—Always remembered by wife, Ruth and Mervin.

RIVERS — In loving memory of our dear mother and grandmother, Laura Rivers, who passed away two years ago, October 16, 1963.

Years of striving, little of play,
Loving, giving the whole of the way;
A cherished smile, a heart of gold,
To the dearest mother the world could hold.
Happy memories fond and true,
From us who thought the world of you.
—Ever remembered by daughter Thelma, son-in-law John, grandchildren Linda Lou and Ricky Scott.

LETTERS to the EDITOR

October 5th, 1965

Last spring there were many attempts made through our council, also the Department of Highways, also our M.P., to do something to make our children and others safe from being run down by traffic through our village. The response was from all parties was as follows: "It will be looked into".

Well, that is the extent of being looked into, that does not protect our children, nor others. Now here we are again into another school session, and winter will soon be on us, also the road will be the only place that people can walk, and parents who have children going to school will no doubt again worry until their children are safe and home again every day. Now, that will go on till someone sooner or later will meet with the expected, which we all hope will not occur, but if ever it should happen, it will be the blackest day Wilberforce has ever had.

There is still a chance that it can be avoided, if only parents

with children would go to our Council which meets every Monday in every month, and put it to them in a light of something of urgent appointment. We have a very understanding Council, and they will do all they can to have it put to the proper authorities.

I think a suggestion of having a sidewalk being built on the west side of the highway, running from the School down to the Railway Crossing.

We have a good Council, also a good School Board, if either would put it before the Government, that a grant would be forthcoming, as they are also interested in the safety of all concerned. They realize that the highway is for motor traffic, not for pedestrians, and will do all they can to make it safe.

Nobody driving wants to run anybody down, and we would feel sorry for him if he did, because he has the right way, not the pedestrians.

Have some concern re this, it may save a life.

HERBERT LEO BELZ

Herbert Leo Belz passed away suddenly at his home on Bob Lake, Minden, on Monday, October 4th, 1965.

The late Mr. Belz retired six years ago after working 42 years for the Telfer Paper Box Co. in Scarborough, Ontario.

The funeral service was held at the John Welch and Son Funeral Home, Minden on Wednesday, October 6th.

The pallbearers were six nephews of the deceased, Sidney Stamp, Mervin Barry, Junior Barry, Michael Popovich, Cliff Barber and David Congdon.

The late Mr. Belz leaves to mourn his wife Myrtle of Minden, a daughter Mrs. Shirley Cushman of Toronto, two sisters Mrs. Nettie Papham and Mrs. Eva Taylor, both of Toronto, a brother Adam Belz of Toronto, and a sister-in-law Mrs. Frank Belz of Toronto.

Mr. and Mrs. W. H. Wunker Of Miners Bay Lodge Celebrate Anniversary

Mr. and Mrs. W. H. Wunker public.

The Wunkers had as house guests for their anniversary Mr. and Mrs. Sam Bingham, neighbour from Edcouh, Texas, and Mr. and Mrs. Herbert Wunker of Cincinnati, Ohio. Another brother, Wesley Wunker, of Prescott, Arizona, was also at Miners Bay to help celebrate the happy occasion. Mr. and Mrs. E. C. Werner and Mr. and Mrs. I. D. Huss, both of Cincinnati, arranged their annual Miners Bay vacations to coincide with the anniversary date.

William H. Wunker and Erna Hettrick were married on September 22nd, 1915, in Cincinnati, Ohio, where they lived until 1933, when they moved to the Rio Grande Valley of Texas. In 1938 they purchased Miners Bay Lodge, which they have since operated with their sons, William and Robert. A third son, Donald, is a missionary in the Dominican Republic. They have seven grandchildren, Barbara, attending college in Waterloo, Russell, attending college in Nyack, N.Y., Kathy, Randy and Mary Lou, students at Haliburton High School, David and Janice in the Dominican Republic.

Other visitors came from Stoney Creek, Fenelon Falls, Cobocok, Norland, Minden and Carnarvon, as well as a number of neighbours. Seventy-two persons signed the guest register during the afternoon and evening.

In This Corner

By RON WALLACE
(Stouffville Tribune)

It will probably never come about, but at the first OHA Junior 'D' hockey meeting held two weeks ago, someone said that Haliburton, Ontario wanted to ice a team in this league. Ridiculous.

Haliburton, in case you're an avid hockey fan and like to follow the locals around the circuit, is located about fifteen miles southwest of the southern tip of Algonquin Park. In other words, nearly 120 miles from Stouffville . . . or three hours driving, depending on weather conditions.

This, simply means that to attend a game that started at 8:30 p.m., fans would have to leave here at 5:30. Players can add at least an extra half hour, and leave about 5 p.m. After putting three good, 20 minute, stop time periods, and two fifteen minute intermissions under your belt, you can count on leaving about 10:45 p.m., at the earliest. Add three hours, and you're home in bed approximately 1:45 a.m. Players, add a half hour.

This is on a relatively good night, bare roads, and clear skies. One snowstorm, and you're lucky to get through Lindsay. A sleet storm, and we had plenty of those last year, and you'll probably not even make the turn at Sanders B/A.

So, let's face it. Haliburton, is, no matter how much they want in this league, definitely out of the question as a contender.

Meanwhile, Uxbridge, the home of the mighty 'Chicks,' is now thinking about pulling out of the league. This, too is up in the air, but listening to the initial plans of different teams, brings up pretty interesting writing material.

Uxbridge, through no fault of its own, just happens to be the closest competitor Stouffville has. It's a pleasant half-hour, 13 miles away. Stouffville and Uxbridge are the Montreal and Toronto of OHA Jr. D.

Half the Uxbridge gallery shows up here for games, and it's the same up north. And it's always nice for a team, that's away from its home ice, to have crowd support.

So, eliminate the 'Chicks' and Stouffville's keenest competition goes with them.

As for the remaining teams in the league, here's what the mileage looks like: Bobcaygeon, 78; Lindsay, 56; Little Britain, 48; Woodville, 40; Sutton-Cannington, 24; Newmarket, 18 and Aurora, 14. That's one way. The total mileage, if Stouffville visits each centre, only once and returns, is 596 miles. Just for fun, take Haliburton into account, one trip and return, and the mileage slides smoothly up 836 miles.

An average automobile, getting 20 miles to the gallon figures roughly \$18.04. Multiply that by four cars, and the least possible expense is \$72.16.

JUNIOR 'C' MAYBE?

Even with Haliburton staying out of this league, it's still quite a hike for the 'Clippers' when they travel to Bobcaygeon and Lindsay. Perhaps if Stouffville and Uxbridge promoted themselves to Junior 'C', a four team loop with Newmarket and Aurora might be formed. The northern clubs, Sutton, Little Britain, Lindsay and Bobcaygeon, could form a league of their own. Each league would play off semis and finals, then the two league winners could play off for the championship . . . or something to that nature.

Being a Junior 'C' club, allows each team to import four members. Some, and perhaps, the better part, of Stouffville's hockey players are too old this year, and will have to be replaced with youngsters from the Bantam and Midget ranks. With four imports, the team's line of defense might benefit due to the additional players.

As I said earlier, Haliburton will probably never get into the league, and Uxbridge will probably reconsider and ice a team. All these speculations will or at least, should become fact at the next hockey meeting slated for Little Britain this Sunday.

Who knows, if Haliburton does get in, next year we might be playing the North Bay Trappers. Then I won't know who to cheer for.

Three Issues In Election - McPhail

Allan McPhail, N.D.P. candidate in Victoria - Haliburton said that the three basic issues of this election were: 1. Leadership, 2. National Unity, 3. Honesty in Parliament.

Leadership: Mr. McPhail stated that Canada was not getting the leadership from Ottawa that the people expected. "Mr. Pearson, he said, is not a strong enough figure to offer the kind of leadership that people want. He doesn't seem comfortable in the House of Commons and he doesn't seem to exercise much control over the activities of some of his members from Quebec".

Unity: "If we are to preserve unity in Canada, we have got to clarify the different aims of the two groups and this requires good faith on both sides. How can the Conservatives restore national unity when Mr. Diefenbaker can't restore unity in his own party? He doesn't even have a chief lieutenant in Quebec, so how can they discuss unity when the people of Quebec reject them at almost every federal election?"

Honesty: According to Mr. McPhail, the problems of leadership and honesty are closely related because of recent events. "The findings of the Dorion probe, the resignation of Mr. Dupuis, Mr. Lamontagne-Tremblay furniture deals, the discovery of an organized bankruptcy racket, the resignation of the Prime Minister's own parliamentary secretary, Mr. Rouleau, all these indicate that Mr. Pearson is permitting his government to be used by organized crime for its nefarious ends".

"How can the people have confidence in a Prime Minister who tolerates such corruption in his government?" Mr. McPhail asked.

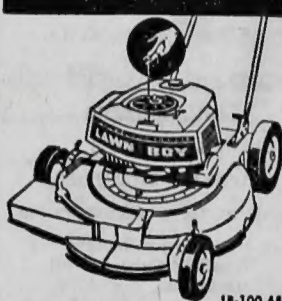

Campaign: The N.D.P. standard bearer campaigned last week in the Little Britain, Oakwood, Kilmount, Haliburton, Minden areas. This week he will carry his door to door campaign to Beaverton, Sunderland, Omeme, Cannington, Hartley, Glenarm, Fenelon Falls and Cobocok. On Friday, Mr. McPhail will hold a press conference with N.D.P. leader T. C. Douglas, who will address a mass rally that night.

David Logan Discusses Trent Waterways

David Logan discussed over the week-end with the Hon. Mitchell Sharp the possibilities of a Trent Valley Authority for this area. Mr. Logan maintains a greater amount of efficiency is necessary from both levels of senior government in order to meet present day business and conservation needs. There has to be a very close federal-provincial co-operation.

Local trappers and fishermen are concerned. They recall the great fish disaster in 1958. Hundreds of maskinonge and thousands of lesser fish were found dead at Emily Creek. Tourist operators spend thousands of dollars each year to promote the area. A change in the fishing conditions would seriously affect their businesses. Conservation people are worried. They

know that decimation of the natural feeding grounds will drive the wildlife away.

The Department of Transport is under the control of the federal Government and is responsible for the maintenance of water levels. The Department of Game and Fisheries is under the Ontario Government and is responsible for fish and wildlife. These two departments should work very closely together in order to make sure the operations of one does not effect the other.

Mr. Logan maintains that greater efficiency could be obtained if the responsibilities of each department along with that of the Water Resources, which is concerned with the quality of the water, were combined under a single authority.

Pictured above are Prime Minister Lester B. Pearson and Mrs. Pamela Logan and husband David, Liberal candidate for Victoria - Haliburton and Ontario North, who appeared on a national wide television interview on Friday evening last.

HALIBURTON

Mr. and Mrs. Tom Parish are spending a two week holiday in this village and Minden.

Mr. and Mrs. Claude Parish of Agincourt spent the week-end with Mr. and Mrs. B. Davidson.

Mr. and Mrs. Wm. Ramsay of North Bay with Jimmie and Heather entertained a number of friends at their cottage on Outlet Bay over Thanksgiving week-end and also served Thanksgiving dinners.

A party was held at Mrs. Wayne Woods for Mr. and Mrs. E. LaPorte and family who lost their home in a recent fire. About 40 friends gathered together, each bringing a gift and good wishes for Mr. and Mrs. LaPorte. A lunch was served by Mrs. Wood.

Mr. Walter Roberts and friend and Mr. and Mrs. Jack Roberts of the U.S.A. spent a pleasant two weeks with Miss M. V. Roberts in town.

Mr. and Mrs. Mark Schell of Haliburton and Mr. and Mrs. Claude Roberts of Oshawa motored to St. Marie and spent the week-end with Mr. and Mrs. E. Peters and Mr. and Mrs. Leslie Schell and also visited other relatives while there.

Mr. and Mrs. Ken Gainforth of Oshawa spent the week-end at their cottage at Long Lake.

Committee Of Management

A meeting of the Committee
of Management of Hyland Crest
Home was held in Minden on
Tuesday afternoon with the fol-
lowing members present: Mrs.
Muriel Medley, Miss Myrtle
Bamford, Frank Puffer, Frank
Welch, John Harrison, and
Berkeley Feir.

Mr. Lowe and Miss Bell of
Simpson's Contract Division were
present to discuss price adjust-
ments on items that seemed to
be out of line with other quo-
tations.

The committee are of the
opinion that the construction of
Hyland Crest Home is not mov-
ing along fast enough and it was
decided that their views in this
respect should be made known to
the architect.

A number of applications were
received for the position of Su-
perintendent of the new home.
Those who are deemed to have
the necessary qualifications will
be interviewed in the near future
by officials of the Department
of Welfare. This must be done
before a decision in this matter
can be reached.

Students To Be Congratulated

The students at the Halibur-
ton Highlands Secondary School
at Haliburton are to be com-
mented on the manner in which
they are keeping the grounds at
the school and immediate area
so free of debris.

Trash cans have been placed
on the grounds at and near the
school by the school and the
Department of Highways.

Special credit must go to J.
Douglas Hodgson, principal of
the school, who has encouraged
the students in this worthy en-
deavour. Everyone is aware of
the fact that we live in a tourist
area and must keep our grounds
clean.
